

A new species of *Physoneura* Ferrington et Sæther, 1995, from Ecuador (Chironomidae, Orthocladiinae)

Elisabeth Stur & Trond Andersen

Stur, E. & Andersen, T. 2000. A new species of *Physoneura* Ferrington et Sæther, 1995, from Ecuador (Chironomidae, Orthocladiinae). *Norw. J. Entomol.* 47, 131–136.

Physoneura paulseni sp. n. is described and figured as male imago based on specimens collected in the Chimborazo Province in Ecuador. The genus *Physoneura* Ferrington et Sæther, 1995, originally described based on two species from Chile and Argentina, now includes three species from South America. A key to the male imagines is given.

Key words: Chironomidae, Orthocladiinae, *Physoneura*, new species, Ecuador
