

***Euides speciosa* (Boheman, 1845)
(Homoptera, Delphacidae) in Norway**

Lars Ove Hansen

Hansen, L. O. 2000. *Euides speciosa* (Boheman, 1845) (Homoptera, Delphacidae) in Norway. *Norw. J. Entomol.* 47, 148.

The plant hopper *Euides speciosa* (Homoptera, Delphacidae) is recorded for the first time in Norway. Four males were captured at the northern shore of Lake Østensjøvannet, Oslo, July 1996. Notes on distribution and biology are briefly given.

Key words: *Euides speciosa*, Homoptera, Delphacidae, Lake Østensjøvannet, new to Norway.

Lars Ove Hansen, Zoological Museum, University of Oslo, Sarsgate 1, NO-0562 Oslo, Norway.
