Sjekkliste

Orden THYSANOPTERA

Familie Aeolothripidae

Aeolothrips albicinctus Haliday, 1836
Aeolothrips ericae Bagnall, 1920
Aeolothrips fasciatus (Linnaeus, 1758)
Aeolothrips intermedius Bagnall, 1934
Aeolothrips manteli Titschack, 1962
Aeolothrips melaleucus Haliday, 1852
Aeolothrips versicolor Uzel, 1895
Aeolothrips vittatus Haliday, 1836
Rhipidothrips niveipennis Reuter, 1899

Familie Melanthripidae

Ankothrips niezabitolowskii (Schille, 1911)

Familie Thripidae

Anaphothrips badius (Williams, 1913)
Anaphothrips gracillimus Priesner, 1923
Anaphothrips obscurus (Müller, 1776)
Apterothrips septicornis (Trybom, 1896)
Aptinothrips elegans Priesner, 1924
Aptinothrips rufus (Haliday, 1836)
Aptinothrips stylifer Trybom, 1894
Baliothrips dispar (Haliday, 1836)
Baliothrips krolí (Schille, 1912)
Belothrips acuminatus (Haliday, 1836)
Ceratothrips ericae (Haliday, 1836)
Chirothrips hamatus Trybom, 1895
Chirothrips manicatus (Haliday, 1836)
Chirothrips molestus Priesner, 1926
Ctenothrips distinctus (Uzel, 1895)
Dendrothrips degeeri Uzel, 1895
Dendrothrips ornatus (Jablonowski, 1894)
Dendrothrips saltator Uzel, 1985
Drepanothrips reuteri Uzel, 1895
Firmothrips firmus (Uzel, 1895)
Frankliniella intonsa (Trybom, 1895)
Frankliniella pallida (Uzel, 1895)
Frankliniella tenuicornis (Uzel, 1895)
Hemianaphothrips articulatus (Priesner, 1925)
Iridothrips iridis (Watson, 1924)
Kakothrips pisivorus (Westwood, 1880)
Limothrips cerealium (Haliday, 1836)

Limothrips denticornis (Haliday, 1836)
Mycterothrips latus (Bagnall, 1912)
Mycterothrips salicis (Reuter, 1879)
Neohydatothrips gracilicornis (Williams, 1916)
Odontothrips biuncus John, 1921
Odontothrips intermedius (Uzel, 1895)
Odontothrips loti (Haliday, 1852)
Odontothrips phaleratus (Haliday, 1836)
Oxythrips ajugae Uzel, 1895
Oxythrips bicolor (Reuter, 1879)
Oxythrips ulmifoliorum (Haliday, 1836)
Parthenothrips dracaenae (Heeger, 1854)
Pezothrips frontalis (Uzel, 1895)
Prosopothrips vejrowskyi Uzel, 1895
Rhaphidothrips longistylus Uzel, 1895
Rubiothrips silvarum (Priesner, 1920)
Scolothrips uzeli (Schille, 1911)
Sericothrips bicornis (Karny, 1910)
Stenothrips graminum Uzel, 1895
Taeniothrips inconsequens (Uzel, 1895)
Taeniothrips picipes (Zetterstedt, 1828)
Tenothrips frici (Uzel, 1895)
Thrips alni Uzel, 1895
Thrips atratus Haliday, 1836
Thrips brevicornis Priesner, 1920
Thrips calcaratus Uzel, 1895
Thrips conferticornis Priesner, 1922
Thrips dilatatus Uzel, 1895
Thrips discolor Haliday, 1836
Thrips flavus Schrank, 1776
Thrips fulvipes Bagnall, 1923
Thrips funebris Bagnall, 1924
Thrips fuscipennis Haliday, 1836
Thrips juniperinus Linnaeus, 1758
Thrips linariae Priesner, 1927
Thrips major Uzel, 1895
Thrips menyanthidis Bagnall, 1923
Thrips minutissimus Linnaeus, 1758
Thrips montanus (Priesner, 1920)
Thrips nigropilosus Uzel, 1895
Thrips orarius Kobre & Ulitzka 2021
Thrips origami Priesner, 1926
Thrips palustris Reuter, 1899
Thrips physapus Linnaeus, 1758
Thrips pini (Uzel, 1895)
Thrips roepkei Doeksen, 1953

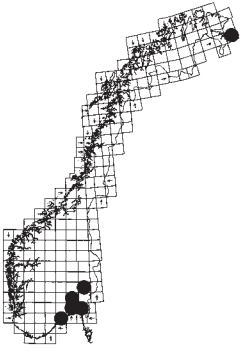

Thrips tabaci Lindeman, 1889
Thrips trehernei Priesner, 1927
Thrips validus Uzel, 1895
Thrips viminalis Uzel, 1895
Thrips vulgatissimus Haliday, 1836
Tmetothrips subapterus (Haliday, 1836)

Familie Phlaeothripidae

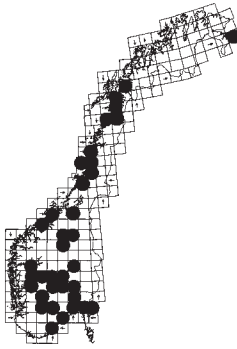

Acanthothrips nodicornis (Reuter, 1880)
Bolothrips bicolor (Heeger, 1852)
Bolothrips dentipes (Reuter, 1880)
Bolothrips icarus (Uzel, 1895)
Cephalothrips monilicornis (Reuter, 1885)
Cryptothrips nigripes (Reuter, 1880)
Haplothrips acanthoscelis (Karny, 1910)
Haplothrips aculeatus (Fabricius, 1803)
Haplothrips alpestris Priesner, 1914
Haplothrips alpicola Priesner, 1950
Haplothrips distinguendus (Uzel, 1895)
Haplothrips hukkineni Priesner, 1939
Haplothrips kurdjumovi Karny, 1913
Haplothrips leucanthemi (Schrank, 1781)
Haplothrips minutus (Uzel, 1895)
Haplothrips phyllophilus Priesner, 1914
Haplothrips propinquus (Bagnall, 1918)
Haplothrips senecionis Bagnall, 1932
Haplothrips setiger Priesner, 1921

Haplothrips setigeriformis Fabian, 1938
Haplothrips statices (Haliday, 1836)
Haplothrips subtilissimus (Haliday, 1852)
Haplothrips tritici (Kurdjumov, 1912)
Haplothrips utae Klimt, 1970
Holothrips schaubergeri (Priesner, 1920)
Hoplandrothrips bidens (Bagnall, 1910)
Hoplandrothrips williamsianus (Priesner, 1923)
Hoplothrips carpathicus Pelikán, 1961
Hoplothrips cortices (De Geer, 1773)
Hoplothrips fungi (Zetterstedt, 1828)
Hoplothrips longisetis (Bagnall, 1911)
Hoplothrips pedicularius (Haliday, 1836)
Hoplothrips polysticti (Morison, 1949)
Hoplothrips semicaecus (Uzel, 1895)
Hoplothrips ulmi (Fabricius, 1781)
Hoplothrips unicolor (Vuillet, 1914)
Liothrips setinodis (Reuter, 1880)
Liothrips vaneeckeii Priesner, 1920
Megathrips lativentris (Heeger, 1852)
Phlaeothrips annulipes Reuter, 1880
Phlaeothrips bispinosus Priesner, 1919
Phlaeothrips coriaceus Haliday, 1836
Phlaeothrips denticauda Priesner, 1914
Poecilothrips albopictus Uzel, 1895
Xylaplothrips fuliginosus (Schille, 1911)

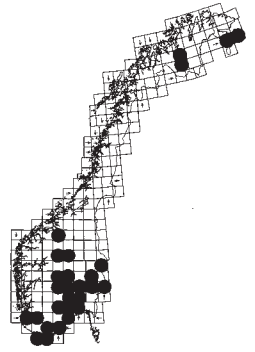

Aeolothrips albicinctus
Haliday, 1836

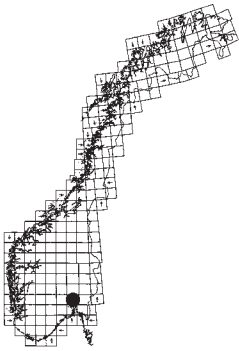

Aeolothrips ericae
Bagnall, 1920

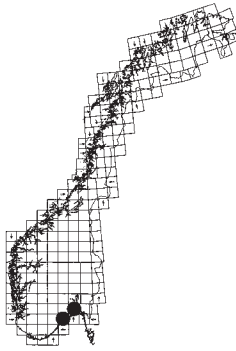

Aeolothrips fasciatus
(Linnaeus, 1758)

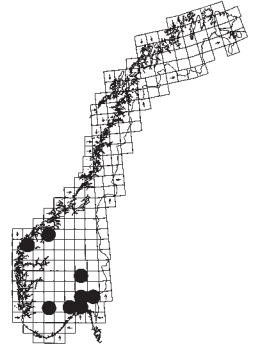

Aeolothrips intermedius
Bagnall, 1934

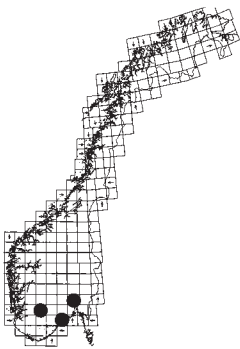

Aeolothrips manteli
Titschack, 1962

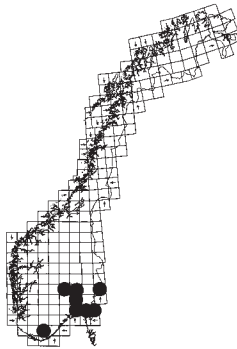

Aeolothrips melaleucus
Haliday, 1852

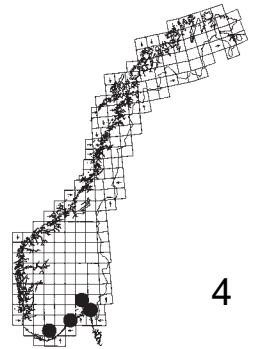

Aeolothrips versicolor
Uzel, 1895

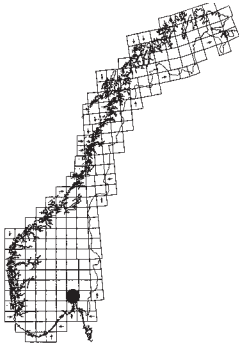

Aeolothrips vittatus
Haliday, 1836

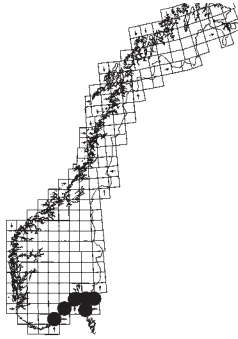

Rhipidothrips niveipennis
Reuter, 1899

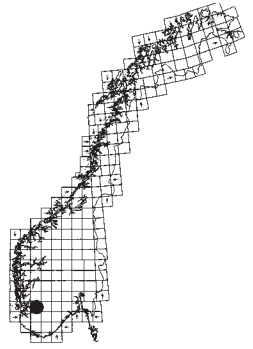

Ankothrips niezabitoskii
(Schille, 1911)

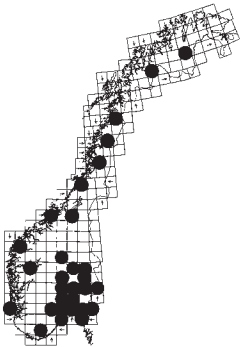

Anaphothrips badius
(Williams, 1913)

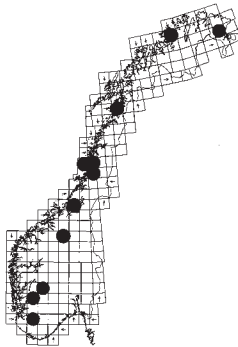

Anaphothrips gracillimus
Priesner, 1923

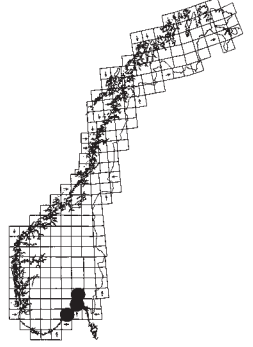

Anaphothrips obscurus
(Müller, 1776)

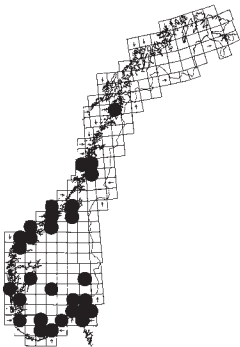

Apterothrips secticornis
(Trybom, 1896)

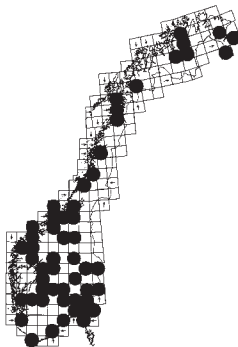

Aptinothrips elegans
Priesner, 1924

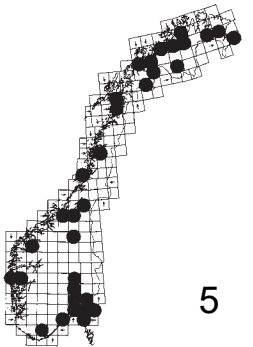

Aptinothrips rufus
(Haliday, 1836)

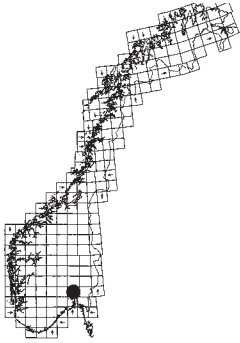

Aptinothrips stylifer
Trybom, 1894

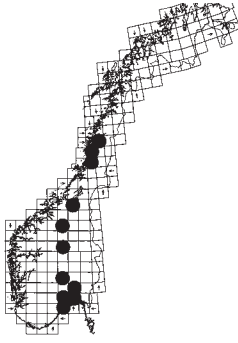

Baliothrips dispar
(Haliday, 1836)

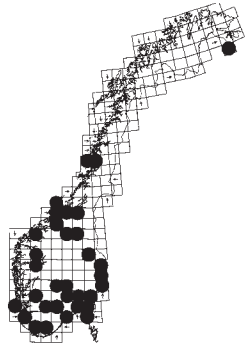

Baliothrips kroli
(Schille, 1912)

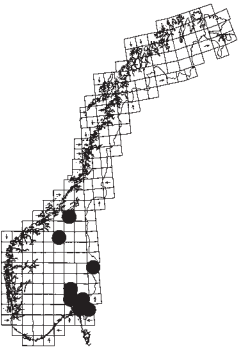

Belothrips acuminatus
(Haliday, 1836)

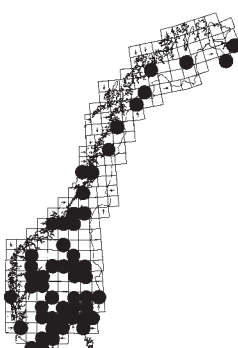

Ceratothrips ericae
(Haliday, 1836)

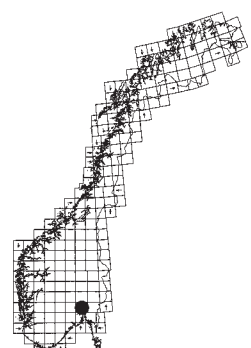

Chirothrips hamatus
Trybom, 1895

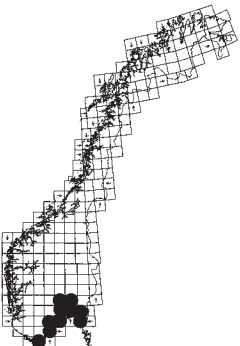

Chirothrips manicatus
(Haliday, 1836)

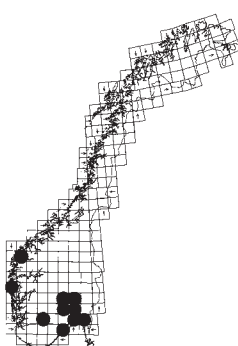

Chirothrips molestus
Priesner, 1926

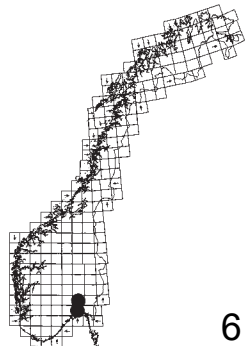

Ctenothrips distinctus
(Uzel, 1895)

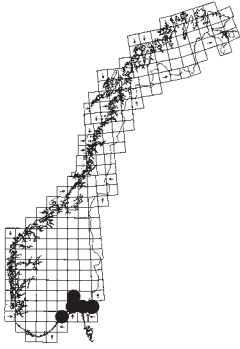

Dendrothrips degeeri
Uzel, 1895

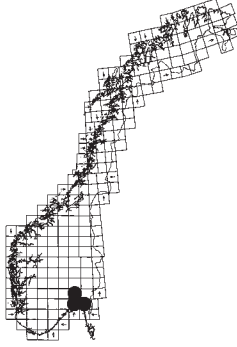

Dendrothrips ornatus
(Jablonowski, 1894)

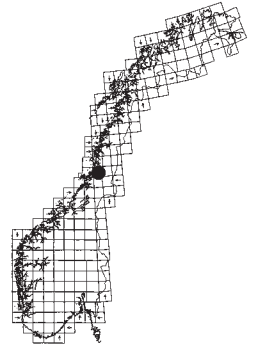

Dendrothrips saltator
Uzel, 1885

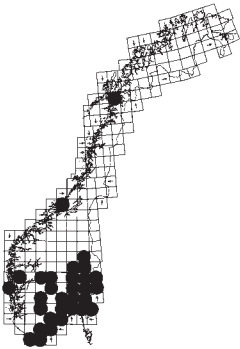

Drepanothrips reuteri
Uzel, 1895

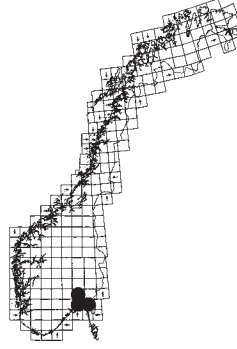

Firmothrips firmus
(Uzel, 1895)

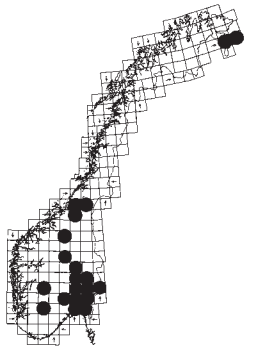

Frankliniella intonsa
(Trybom, 1895)

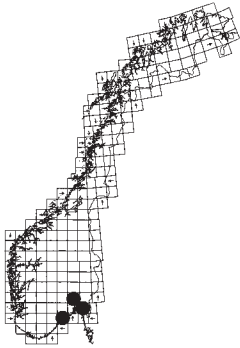

Frankliniella pallida
(Uzel, 1895)

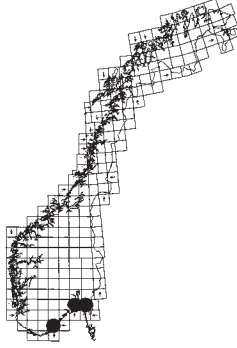

Frankliniella tenuicornis
(Uzel, 1895)

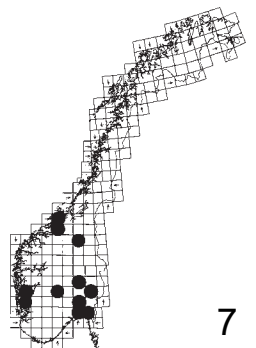

Hemianaphothrips articulatus
(Priesner, 1925)

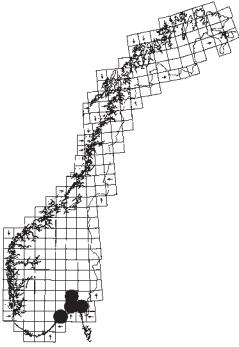

Iridothrips iridis
(Watson, 1924)

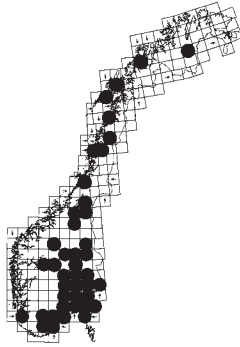

Kakothrips pisivorus
(Westwood, 1880)

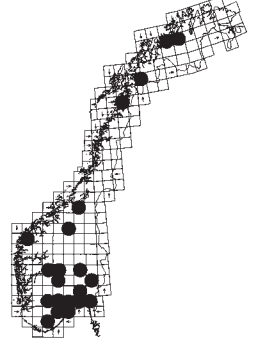

Limothrips cerealium
(Haliday, 1836)

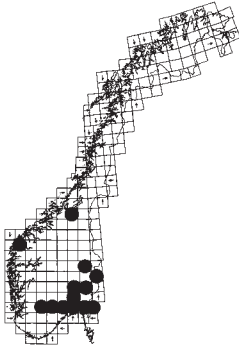

Limothrips denticornis
(Haliday, 1836)

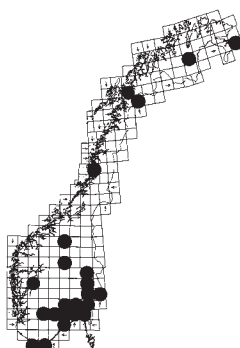

Mycterothrips latus
(Bagnall, 1912)

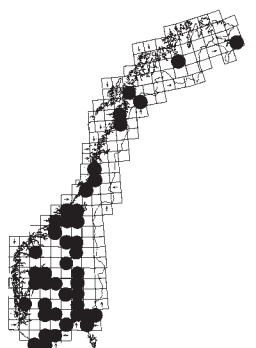

Mycterothrips salicis
(Reuter, 1879)

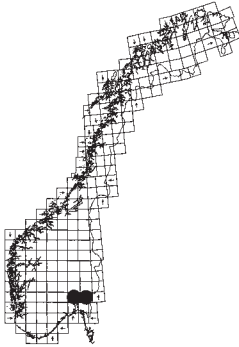

Neohydatothrips gracilicornis
(Williams, 1916)

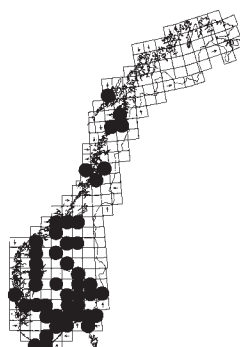

Odontothrips biuncus
John, 1921

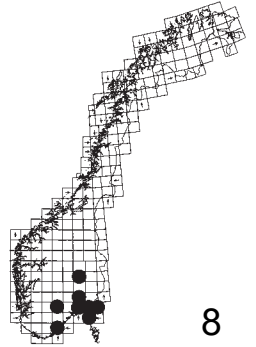

Odontothrips intermedius
(Uzel, 1895)

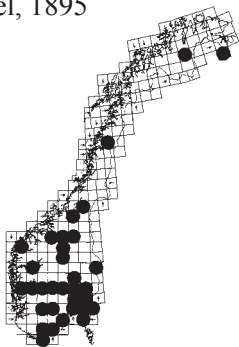

Odontothrips loti
(Haliday, 1852)

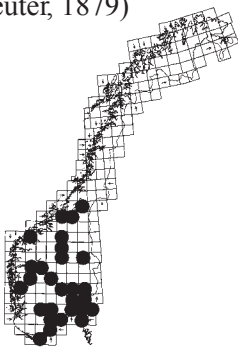

Odontothrips phaleratus
(Haliday, 1836)

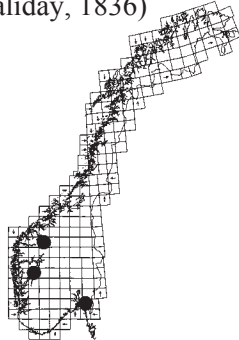

Oxythrips ajugae
Uzel, 1895

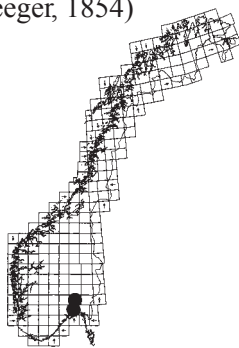

Oxythrips bicolor
(Reuter, 1879)

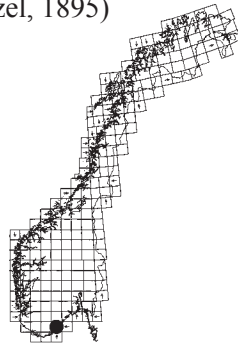

Oxythrips ulmifoliorum
(Haliday, 1836)

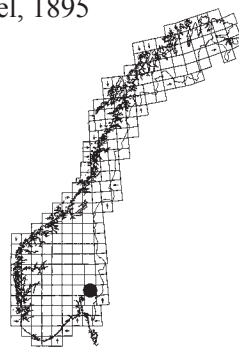

Parthenothrips dracaenae
(Heeger, 1854)

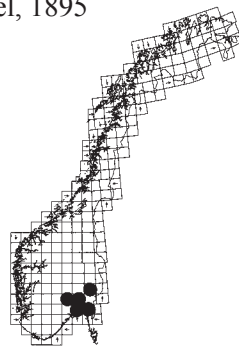

Pezothrips frontalis
(Uzel, 1895)

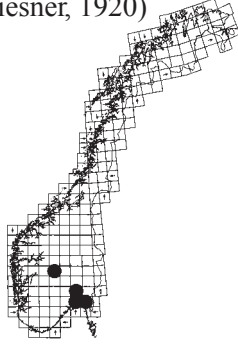

Prosopothrips vejrowskyi
Uzel, 1895

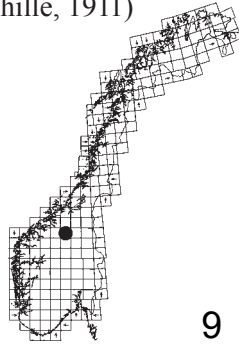

Rhaphidothrips longistylus
Uzel, 1895

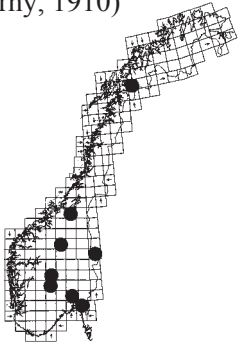

Rubiothrips silvarum
(Priesner, 1920)

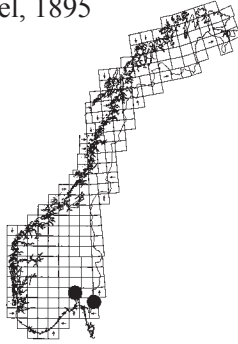

Scolothrips uzeli
(Schille, 1911)

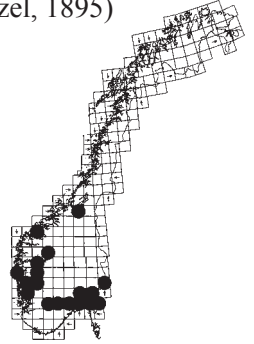

Sericothrips bicornis
(Karny, 1910)

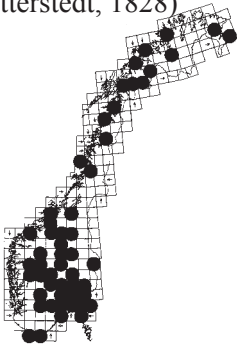

Stenothrips graminum
Uzel, 1895

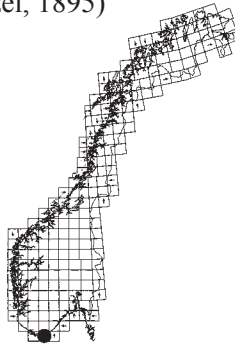

Taeniothrips inconsequens
(Uzel, 1895)

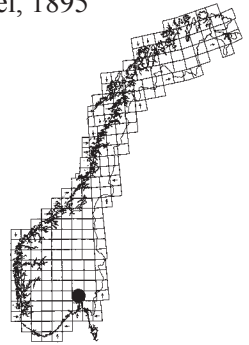

Taeniothrips picipes
(Zetterstedt, 1828)

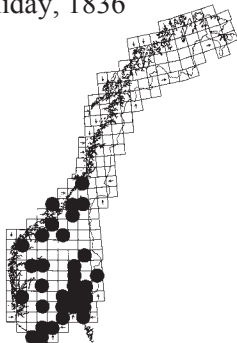

Tenothrips frici
(Uzel, 1895)

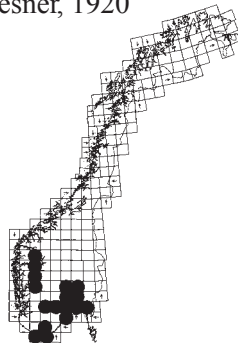

Thrips alni
Uzel, 1895

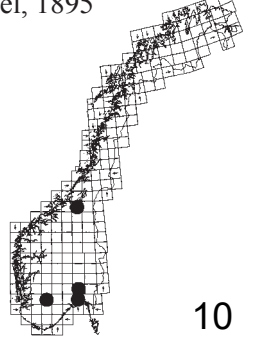

Thrips atratus
Haliday, 1836

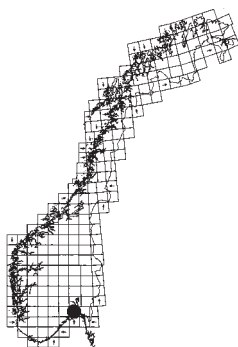

Thrips brevicornis
Priesner, 1920

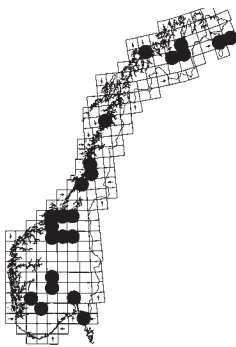

Thrips calcaratus
Uzel, 1895

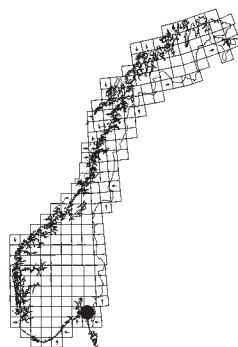

Thrips conferticornis
Priesner, 1922

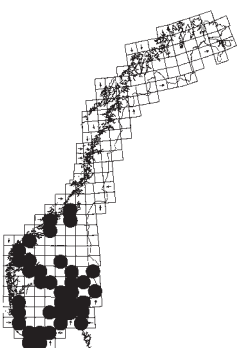

Thrips dilatatus
Uzel, 1895

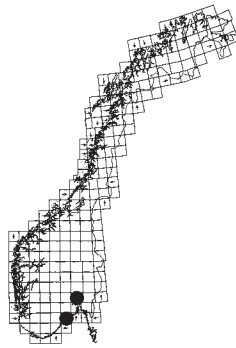

Thrips discolor
Haliday, 1836

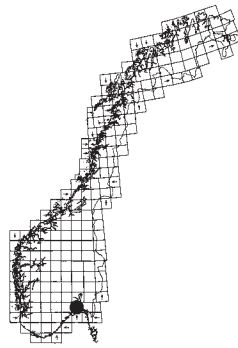

Thrips flavus
Schrank, 1776

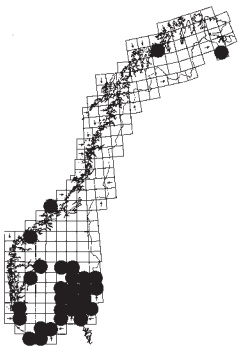

Thrips fulvipes
Bagnall, 1923

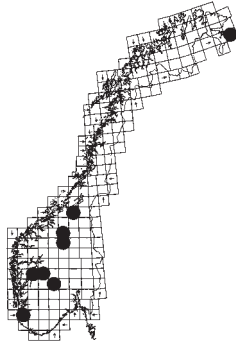

Thrips funebris
Bagnall, 1924

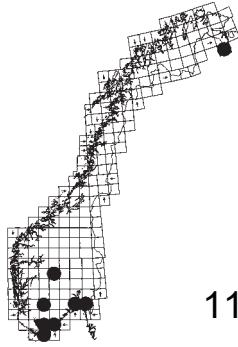

Thrips fuscipennis
Haliday, 1836

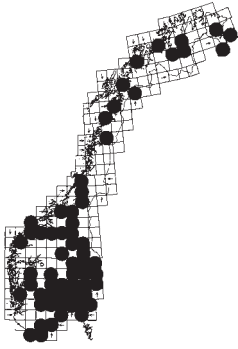

Thrips juniperinus
Linnaeus, 1758

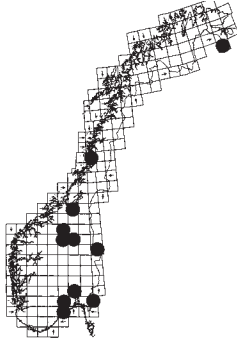

Thrips linariae
Priesner, 1927

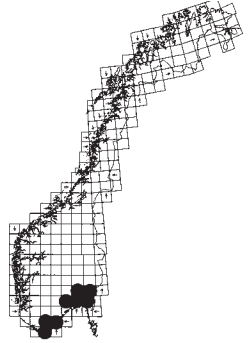

Thrips major
Uzel, 1895

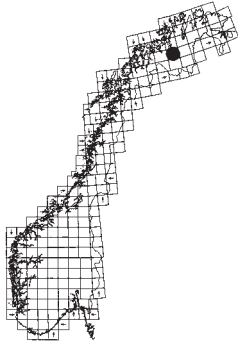

Thrips menyanthidis
Bagnall, 1923

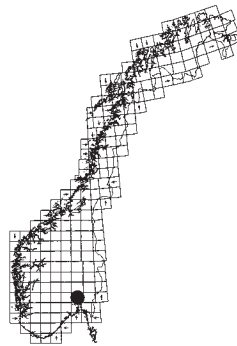

Thrips minutissimus
Linnaeus, 1758

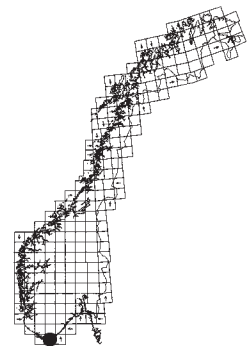

Thrips montanus
(Priesner, 1920)

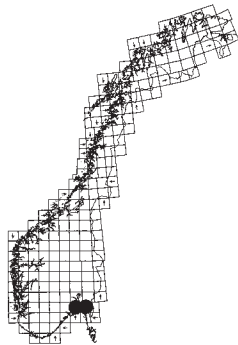

Thrips nigropilosus
Uzel, 1895

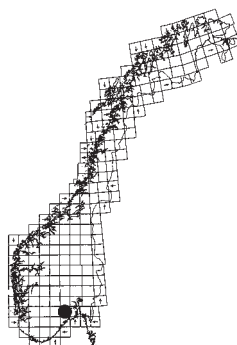

Thrips orarius
Kobro & Ulitzka 2021

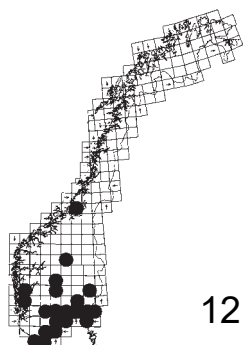

Thrips origani
Priesner, 1926

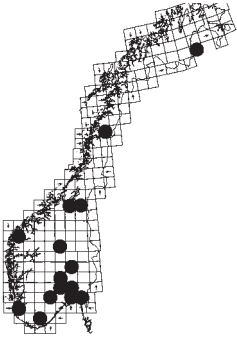

Thrips palustris
Reuter, 1899

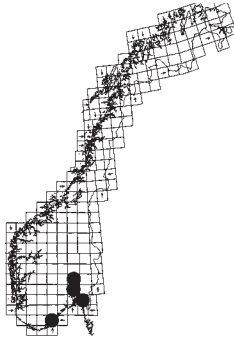

Thrips physapus
Linnaeus, 1758

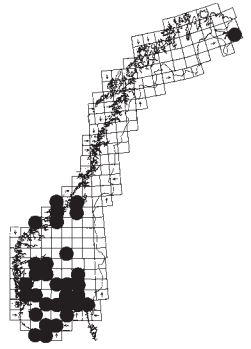

Thrips pini
(Uzel, 1895)

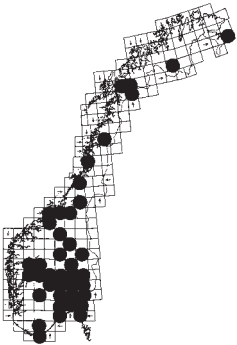

Thrips roepkei
Doeksen, 1953

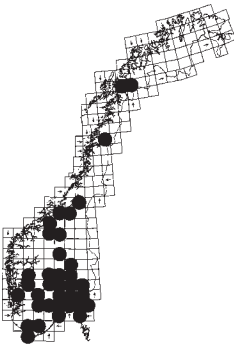

Thrips tabaci
Lindeman, 1889

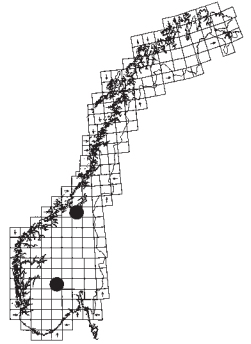

Thrips trehernei
Priesner, 1927

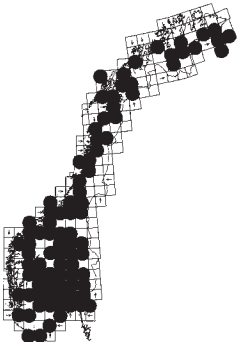

Thrips validus
Uzel, 1895

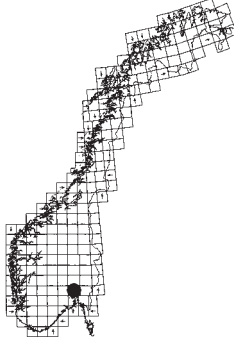

Thrips viminalis
Uzel, 1895

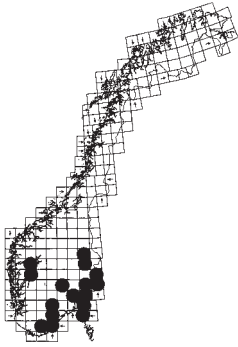

Thrips vulgatissimus
Haliday, 1836

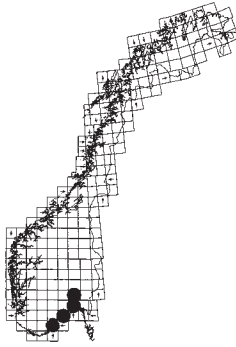

Tmetothrips subapterus
(Haliday, 1836)

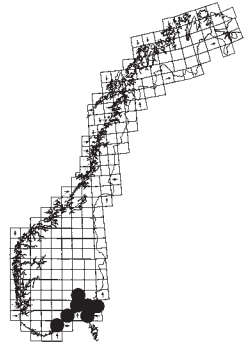

Acanthothrips nodicornis
(Reuter, 1880)

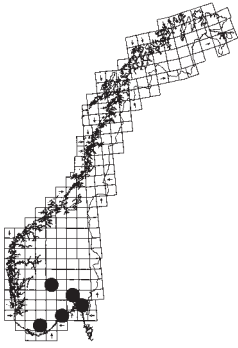

Bolothrips bicolor
(Heeger, 1852)

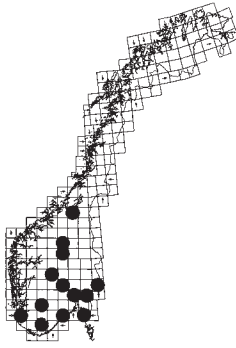

Bolothrips dentipes
(Reuter, 1880)

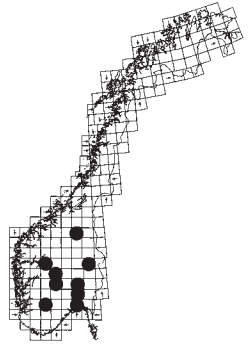

Bolothrips icarus
(Uzel, 1895)

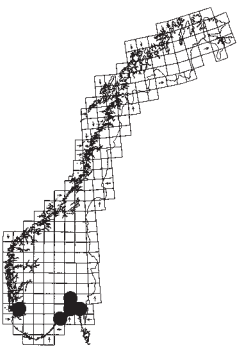

Cephalothrips monilicornis
(Reuter, 1885)

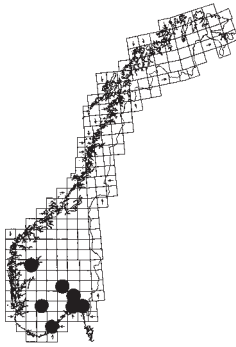

Cryptothrips nigripes
(Reuter, 1880)

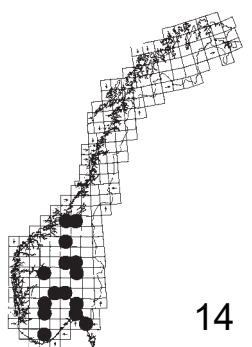

Haplothrips acanthoscelis
(Karny, 1910)

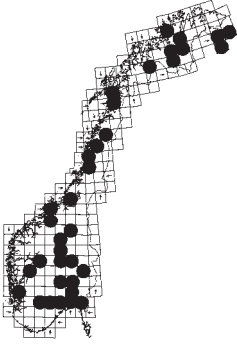

Haplothrips aculeatus
(Fabricius, 1803)

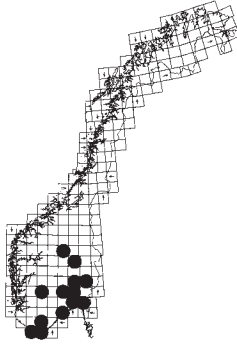

Haplothrips alpestris
Priesner, 1914

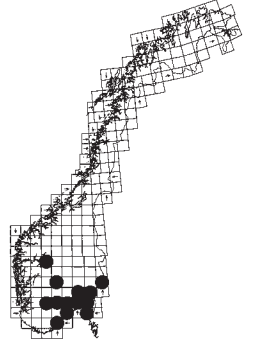

Haplothrips alpicola
Priesner, 1950

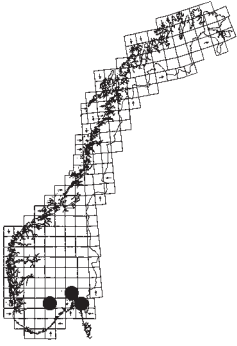

Haplothrips distinguendus
(Uzel, 1895)

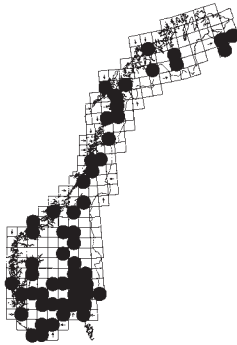

Haplothrips hukkineni
Priesner, 1939

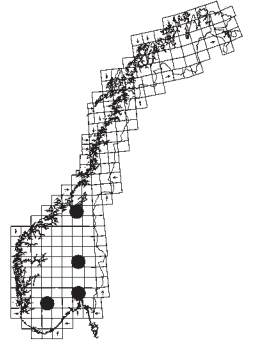

Haplothrips kurdjumovi
Karny, 1913

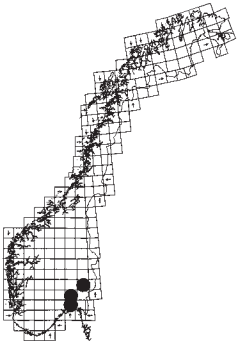

Haplothrips leucanthemi
(Schrank, 1781)

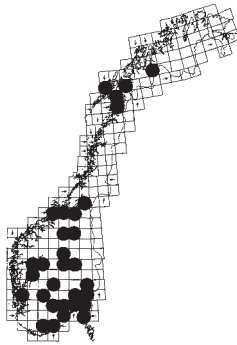

Haplothrips minutus
(Uzel, 1895)

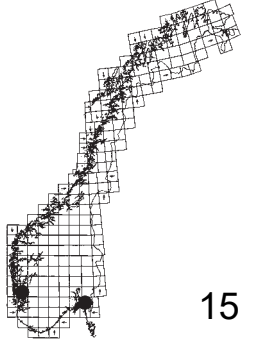

Haplothrips phyllophilus
Priesner, 1914

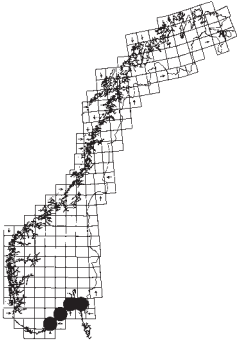

Haplothrips propinquus
(Bagnall, 1918)

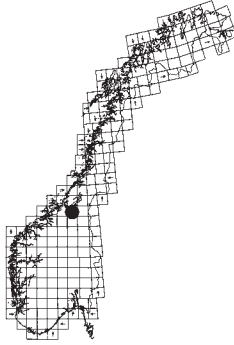

Haplothrips senecionis
Bagnall, 1932

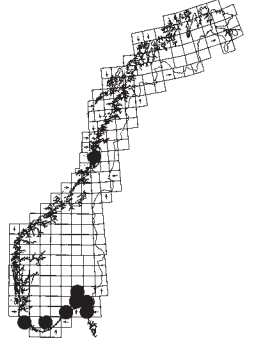

Haplothrips setiger
Priesner, 1921

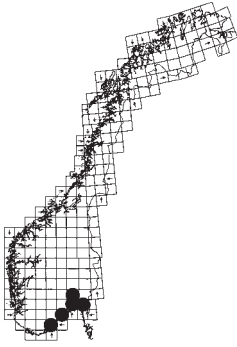

Haplothrips setigeriformis
Fabian, 1938

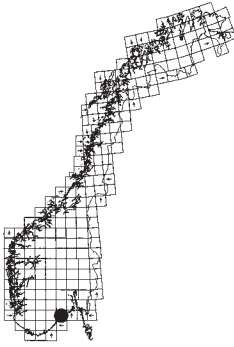

Haplothrips statices
(Haliday, 1836)

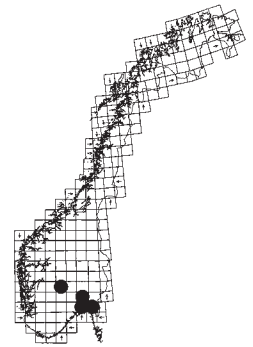

Haplothrips subtilissimus
(Haliday, 1852)

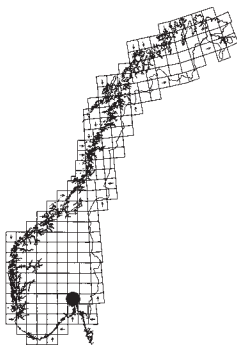

Haplothrips tritici
(Kurdjumov, 1912)

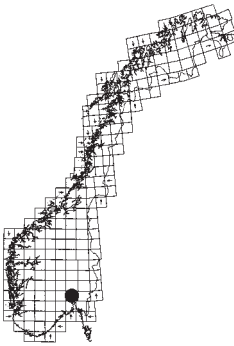

Haplothrips utae
Klimt, 1970

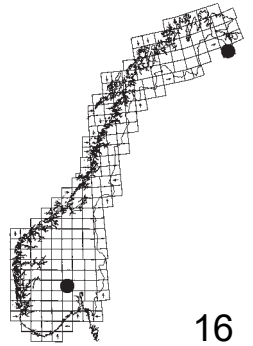

Holothrips schaubegeri
(Priesner, 1920)

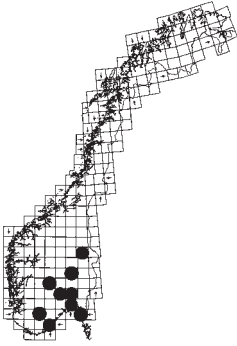

Hoplandrothrips bidens
(Bagnall, 1910)

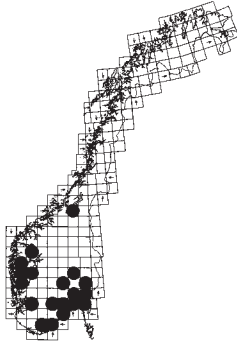

Hoplandrothrips williamsianus
(Priesner, 1923)

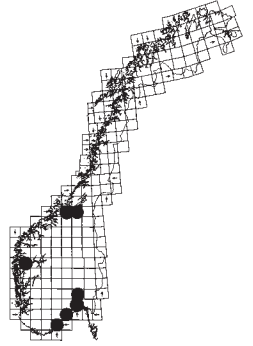

Hoplothrips carpathicus
(Pelikán, 1961)

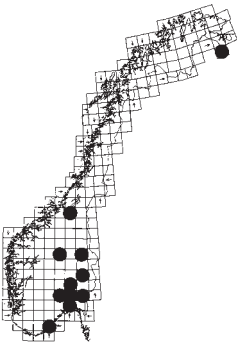

Hoplothrips corticis
(De Geer, 1773)

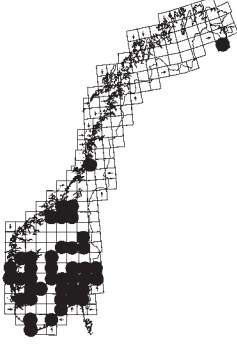

Hoplothrips fungi
(Zetterstedt, 1828)

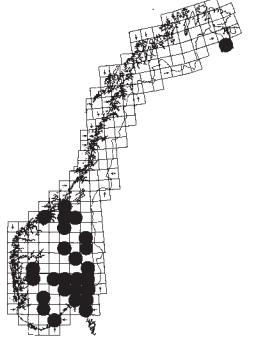

Hoplothrips longisetis
(Bagnall, 1911)

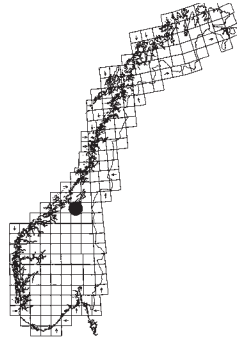

Hoplothrips pedicularius
(Haliday, 1836)

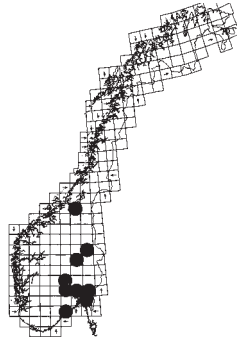

Hoplothrips polysticti
(Morison, 1949)

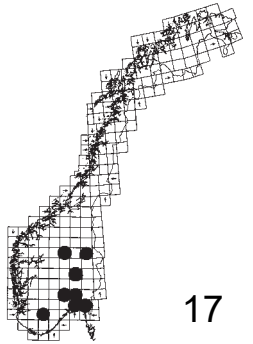

Hoplothrips semicaecus
(Uzel, 1895)

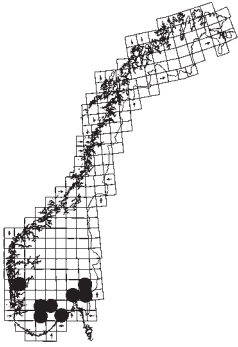

Hoplothrips ulmi
(Fabricius, 1781)

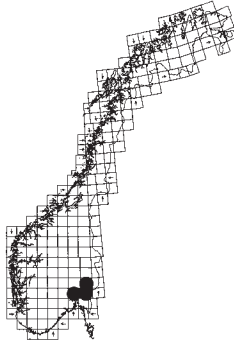

Hoplothrips unicolor
(Vuillet, 1914)

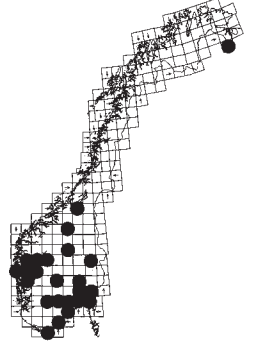

Liothrips setinodis
(Reuter, 1880)

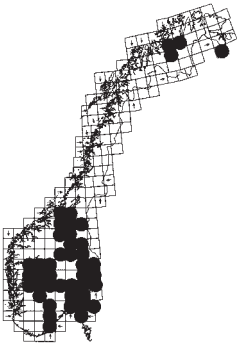

Liothrips vaneckeai
Priesner, 1920

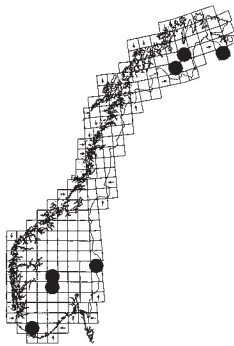

Megathrips lativentris
(Heeger, 1852)

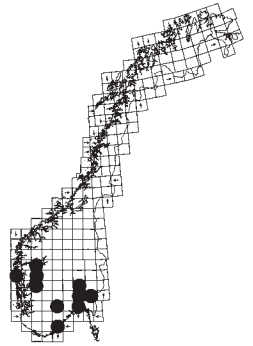

Phlaeothrips annulipes
Reuter, 1880

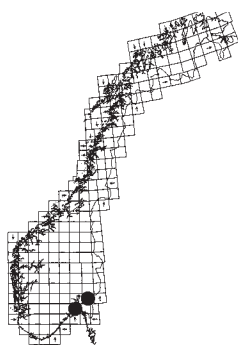

Phlaeothrips bispinosus
Priesner, 1919

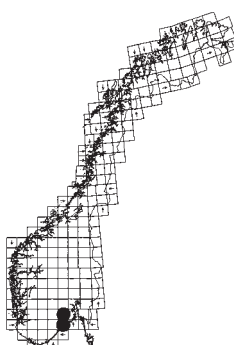

Phlaeothrips coriaceus
Haliday, 1836

Phlaeothrips denticauda
Priesner, 1914

Poecilothrips albopictus
Uzel, 1895

Xylaplothrips fuliginosus
(Schille, 1911)
